

The Saline County Judge's Office was recently contacted by Stanley Rest who is a Recruiter with the 2020 US Census Office in Fayetteville. The US Census Office is looking to hire 93 more Census workers in Saline County. Census takers can make a difference, help their community, and earn extra income by doing it!

Census takers receive weekly pay and paid training as well. Their work schedules are flexible and range from 20-40 hours/week depending on their availability. Some positions require work during the day, while others require evening and weekend work.

People can apply now although when the actual census taking will begin depends on progress in controlling the Covid-19 virus. It takes about 30 minutes to apply online. Requirements are 18 years of age or older by April 1, 2020, U.S. citizenship, and having an email address.

To apply, go to 2020census.gov/jobs
